Mark –

I'm forwarding this on to Shawn. He's the Enforcement Specialist for this site though I'm happy to help.

Mr. Otis:

Thank you for your voicemail message this morning. I am sorry I missed your call. I appreciate your bringing the oversight billing issue to my attention. I would be happy to discuss this matter with you. But I would like to take you up on your offer to email me additional information about the item which appears to predate the effective date of the November, 2015 AOC for the Remedial Investigation and Feasibility Study so we can have informed discussion. I look forward to your response. I will be in the office through Thursday of this week.

Mark
